A Day In The Life at Seabeck:

**Early** - Arise early for a walk embracing the beauty of Seabeck. Share in a morning devotional.

**Breakfast** - Sit at a round table-for-10 in the spacious, light-filled dining room.

**Morning** - Get inspired by the thought-provoking morning adult program. Children & youth join their own loving & lively morning programs.

**Lunch** - Each meal begins with grace led by a different “cabin” or house.

**Afternoon** - First, an all-camp quiet time. Then, choose from an endless variety of activities: including tennis, softball, Frisbee, rowing a boat or swimming in the lagoon, sitting on the porch in a rocking chair while reading or visiting, playing with the kids in one of the special children's play areas, participating in a discussion group or a yoga class, tie-dyeing a shirt, walking on a wooded trail or just taking a nap!

**Dinner** - Isn't it nice not to have to cook, clean or shop for five days? There's even a Salmon Bake on the beach.

**Evening** - Time for campfires, Vespers, a Talent Show, folk dancing. A snack before bed including an Ice Cream Social. Enjoy watching the sunset from the top of the hill at Pines.

**When & Where:**
Seabeck Conference Center is on the Kitsap Peninsula, about two and a half hours by car and ferry. **Camp begins at 4pm on Sunday, July 5** with a welcome, dinner and campfire. **Camp ends after lunch on Friday, July 10.**

**Fees & Accommodations:**
The costs of attending camp are a combination of program fees (which cover the cost of our morning program, snacks, entertainment and other incidentals) plus lodging fees. Program fees vary depending on the age of the camper from $15 to $105. **Lodging costs** for all 5 nights vary based upon the amenities of each house from a low of $315 to a high of $660 for adults. **Priority is given to campers whose forms are in by April 19.**
The registration form has all of the specifics about the different accommodation options.

**Note** that children up to age 18 are eligible for a lodging subsidy of up to $100 per child - because it's so important to us that children come to Seabeck!

If you need assistance with these costs, check the scholarship box.

**Help everyone go to camp:**
Donations help pay the full program cost and provide scholarships. Thank you for your willingness to give extra to help make sure everyone can attend camp.

Adult Morning Program:
Earthkeeping: A Christian Call to Care for Creation

David Roon, PhD

David Roon teaches in the Natural Resources and Society department at the University of Idaho and directs the University of Idaho’s undergraduate Ecology and Conservation Biology major. His past research has focused on the genetics of endangered species, ranging from bears in Glacier National Park to bats in Ecuador. David also holds a Master of Fine Arts in studio art, with a focus on ceramics, printmaking, and the communication of ecological concepts through the use of these media. Christian approaches to Earthkeeping are a long-time area of academic and personal interest for him. He is a member of First Presbyterian Church in Moscow, Idaho.

About the Program:
Earthkeeping is a Christian response to humanity’s troubled relationship with God’s good Creation. We will learn about the science of Conservation Biology, and about key Faith traditions related to Earthkeeping (ranging from Judeo-Christian Stewardship to non-Christian paradigms like Buddhism). We will also discuss the contemporary challenges of environmental racism, and explore how Christians can creatively and effectively leverage their faith to facilitate ecological reconciliation.

Children & Youth:
The Children and Youth morning programs will follow the themes in the adult program in a way that is developmentally appropriate.

Nursery:
Childcare is available for infants—3-year-olds during the adult program.

Preschool & Elementary:
Children 4 and older engage in curriculum lessons with hands-on indoor and outdoor activities. They will work with this year’s theme by turning “Creation Care” into art and music, including special music with Betsy Rose. For more information, contact the Director of Children’s Ministry: 206-524-2322 or childrensministry@ucucc.org.

Youth Programs:
The Youth Program consists of incoming 6th grade - outgoing 12th grade. Through activities, art, song, discussion, and reflection the youth will focus on our theme, Earthkeeping: A Christian Call to Care for Creation. Youth know the challenges of the climate crisis at hand, how can we respond as Christians to care for our earth? Middle & High School will start together, then break into separate age groups. Contact Margaret Swanson, Director of Youth Ministries: at 206-524-2322 or mswanson@ucucc.org.

Community at Camp:

Music & Community:
Music is an important part of camp. Betsy Rose will be our Camp Musician. We are glad to have her leading us in music! She will work with children and adults during our morning program. Most afternoons there are informal jam sessions and Talent Show practices. Evenings feature campfires, vespers, song circles, a concert with Betsy Rose and our famous Talent Show (bring your instruments and skit props).

Sports, Crafts & Discussions:
After an all-camp quiet time, afternoons are "free time." Activities include: crafts, swimming, boating, baseball, volleyball, tennis, ping-pong, Frisbee, tie-dying, Bible study and speaker talk-back. You can also hike, bird watch, play games and more! Or you can just sit and relax!

Volunteer!
Help make camp special by leading a vespers, campfire, game, craft or discussion. We also need volunteers to help staff the boat dock. To volunteer, email seabeck@universityucc.org.
